Every inch of Fukuoka is dramatic.

Abundant nature and history of exchange with the Continent.
The city of Fukuoka is always filled with curiosity.
Let’s start on a journey of feeling the rich humanity which liven up things and matters!
Hakata Area

The gateway to Fukuoka. New places of interests are springing up like mushrooms.

A shopping mall with direct access to Shinkansen, JR and subway lines.

1 JR Hakata City

[092-431-8484 (AMU Plaza Hakata Information)]

The commercial complex is packed with a variety of shops, restaurants, cafes, cinema, etc. The roof garden offers panoramic views of Fukuoka City.

1-1, Hakataekochou, Hakata-ku, Fukuoka City

Vary by shops

Cubical diagram of Hakata Station area

The area around Hakata Station, the gateway to Kyushu and Fukuoka, is a treasure-trove of not just fashion but also food and regional produce. Let’s set out on an exciting journey from here.

The go-to for Hakata souvenirs

2 Ming

[092-431-1125]

Souvenir shop directly connected to JR Hakata Station. You can find local Kyushu sweets and gifts. Also offers the largest collection of Japanese confectionery and sweets in Kyushu.

1-1, Hakataekochou, Hakata-ku, Fukuoka City

10:00-21:00 (Ming) 10:00-23:00 (Ming Fukuoka)

Hakata Marui and satisfying food

3 KITTE Hakata

[092-292-1263]

Commercial facility with direct access to Hakata Station has plenty of stores selling sweet treats, cafes, restaurants and popular shops.

Commercial facilities with direct access to Hakata Station has plenty of stores selling sweet treats, cafes, restaurants and popular shops.

Cubic diagram of Hakata Station area

The hub of bus travel in Fukuoka City and beyond

5 Hakata Bus Terminal

[092-431-1441]

This facility has plenty of stores that offer you support like fashion, household items, and cuisine, as well as bus stops and depots.

4 JR JP Hakata Building

The new office building contains “Eki-kara Sanbyappo Yokochō” in the basement and famous and popular local shops and restaurants on the 1st and 2nd floors.

3-1, Hakataekochou, Hakata-ku, Fukuoka City

Vary by shops

An impressive and authentic stage equipped with a Hanamichi (runway)

6 Hakataza Theater

[092-283-5555]

Kyushu’s largest theater for plays. Enjoy Kabuki, Takarazuka musicals, special concerts by singers, and musicals from its sumptuous audience seats.

No.1-1, Shim-kwabata-machi, Hakata-ku, Fukuoka City

Vary by shows

A once-a-year amusement

Funanorikomi

Before the start of June

Hakataza Grand Kabuki Performance, Kabuki actors board the boats with banners in front to kick off the event on Hakata River.

Cubic diagram of Hakata Station area

The entire mall amusingly like a theater

7 Canal City Hakata

[092-282-2525]

The compound contains shops, restaurants, a cinema complex and a hotel. There is a canal running through the center where a fountain show and stage events are occasionally held.

3-1, Sumiyoshi, Hakata-ku, Fukuoka City

10:00-21:00 (Shops) 11:00-22:00 (Restaurants)

Short walk from Canal City Hakata main bus stop

Useful info about Fukuoka

Hakata’s kitchen’s selling points are quality and freshness.

8 Rakusuien

[092-262-6665]

The villa of a Hakata merchant was remodeled as a tea house. A mistoka tea enjoyed amidst seasonal blooms and foliage is delightful.

1-1, Sumiyoshi, Hakata-ku, Fukuoka City

10:00-17:00

The first shrine of Chikuzen with a proud history of over 1,800 years

9 Chikuzen no Kuni Ichinomiya Sumiyoshi Shrine

[092-291-2670]

One of the three most magnificent Sumiyoshi shrines of Japan. Worshiped as the god of purification who protects all misfortunes and the god of Suzuki. Venerating one entire ceremony is held each year before the Kagoshima tournament. The main shrine building is an important cultural property.

5-1, Sumiyoshi, Hakata-ku, Fukuoka City

Walks from JR Hakata Sta.

A relaxing Japanese garden which reminds us of a wealthy merchant of Hakata

10 Yanagibashi Rengo Ichiba

[092-761-7717]

The market busses from early morning with professional-levels of restaurants and hotels and housewives in search of fresh food ingredients. Harvests also enjoy buying an out-of-season fruit.

5-5-5, Hakagishi, Chuo-ku, Fukuoka City

Walks from JR Hakata Sta.

Walks from JR Hakata Sta.

Short walk from Rentoji no Hon "Yanagibashi" stop
A city where history is alive

Four districts in the north of Hakata Station toward Hakata Bay are Gokusho, Reisen, Ohama and Naraya.

Medieval history, tradition, and culture abound in Hakata Old Town which prospered as Japan’s largest trading port and the center of Hakata. Visitors can enjoy a more profound holiday in this area of Fukuoka as they experience the peaceful streets with rows of historic temples, bustling shopping districts, Hakata’s traditional handicrafts and arts, and the lifestyles and culture of Hakata-ites known for their love of festivals.

Hakata’s specialty traditional crafts under one roof

13 Hakata Traditional Craft and Design Museum

092-409-5450

The museum exhibits a permanent collection of traditional craft associated with Fukuoka and Hakata, including Hakata-on textiles, Hakata doll, and an array of other traditional handicrafts. There are also various events, a merchandise area and a tea room.

A Decorated Yamasasho

A decorated Yamasasho in front of Kushida Shrine

Hakata Old Town registered snack, Hakata Old Town Sable Cookie

These crunchy sable cookies are made with flour grown in Fukuoka and shaped to look like a cobblestoned path on the way to Kushida Shrine. The cookies are sold at the long-standing store, Ishimura Manseido.
An invitation to an atmospheric medieval street

**16 Hakata Senn-no-Mon Gate**

The gate in medieval Hakata's temple and shrine-style is an entryway into Hakata's atmospheric old temples and shrines district. The area is dotted with touches unique to Hakata, including carvings in Hakata-ori patterns in Kenjo design.

**17 Jotenji Temple**

092-431-3570

Shakukumei from Song was a crucial figure in Song-Japan trade and also helped introduce Zen Buddhism to Japan. Jotenji Temple also houses many historical properties.

Built by Shakukumei, who graces the history of medieval Hakata.

The oldest temple built by Kukai in Japan

**18 Tochoji Temple**

092-291-4459

Legend has it that Kukai prayed for the introduction of Esoteric Buddhism at the temple on his return from China. The Great Buddha of Hakata is Japan's most substantial seated figure made of wood.

After enjoying the night scenery, visit “Ramen Runway,” where famous ramen shops are gathered, as well as “the foodtimes,” where some unique variations of Fukuoka masterpiece cuisines can be tasted.

Basic information
Go visit the yatai

There are shops where receipts can be printed. Enjoy the yatai culture as it always has been and visit the evolving Fukuoka yatai.

Enjoy the yatai (open-air stalls)

Lanterns are lit in Tenjin, Nakasu, and Nagahama at night where the nation’s favorite Yatai food stalls line the streets!
You will find a typical scene where strangers drink, laugh and chat together. The variations are diverse and the owners are kind. Create a memory that is special to you.

Diverse menus

Yatai food stalls in Fukuoka are diverse. From the standard Oden stalls to open-air bars, find your favorite one.

Areas where Yatai food stalls congregate

Tenjin

- The food stalls winding around buildings are a Fukuoka tradition.

Nakasu

- The yatai food stalls against neon lights stir the sentiments of travelers.

Nagahama

- The birthplace of the ultra-thin "Nagahama Ramen".

How to enjoy Yatai

- The joy of yatai is communication. Enjoy the once-in-a-lifetime opportunity to interact with the owner and customers.
- The menu at Yatai and people are varied. Go to 2 or 3 to find the place that you like.
- Some Yatai have lines to enter. You might want to go a little farther and find a completely new one.
The recreation quarter with a pleasant sea breeze.

Enjoy marine sports on the beach or see majestic views from the tower. It is also a lovely plan to spend a well-deserved break at a seaside hotel.

Image: Momochi Seaside Park

Fukuoka’s landmark

40 Fukuoka Tower

092-823-0234

The seaside tower is 234 meters high. The panorama of Fukuoka from the 33rd floor observatory 123 meters above ground is outstanding. To celebrate 30 years of business, they have done a large scale renewal and now have new attractions to allow you to enjoy the “Beautiful scenery and space.”

- 3-2-2, Momochi-hama, Sawara-ku, Fukuoka City
- 10 AM-9:30 PM (May change during events)

**Shikanoshima Island**

The island of the golden seal was named thus for a golden seal sent by Emperor Guangwu of the Later Han dynasty to the King of Wa in the 2nd century. The island was discovered on the island. In addition to presenting a beautiful scene, the island is dotted with historical shrines and stone monuments. Acoustic sports are also popular.

**65 Shikanoshima Island**

**An island of the gold seal full of historical romance**

**66 island eye**

080-3949-0663 (Pre-opening office)

This complex will be open at Island City in March 2020. There will be shopping, gourmet food, a theater, a multi-purpose hall and a hotel opening in Autumn of 2020) for all kinds of enjoyable attractions!
Both the people and food are jaunty and unpretentious.
That’s hospitality Fukuoka/Hakata-style.

Food

Tonkotsu soup has captivated the world
Tonkotsu Ramen
You order the noodles to your preferred doneness to add to the opaque white, umami-packed soup. Order extra noodles and feel like a Hakata-ite!

Motsu Nabe
(Offal hotpot)
comes in delicious soy sauce, miso, and kimchi flavors.
Hakata’s specialty is healthy and reasonably priced and contains plump offal and vegetables such as Chinese chives.

Hirigane (wire: the noodles’ doneness) is for the seasoned connoisseur!

Order the noodles’ doneness to your liking.
The terms unique to Hakata starts with the hardest in texture on the left.

Praised by visitors to Japan!
Piping-hot is best
Hakata’s bite-size Gyoza
When you bite into crispy bite-size gyoza, the juice flows out, and it’s so tasty that you will keep eating one after another.

With crispy edges, they’re super delicious!

Kiritanpo chicken
Thigh, gizzard, vegetable wrap. Which will you choose?

A rich variety of chicken dishes.
They whet the appetite and get the conversation going.

Rich in collagen, Hakata’s specialty dish
Mizutaki
The history of Hakata’s mizutaki goes back over 100 years. Enjoy the delicious soup first! Then go for the chicken and vegetables.

As expected from a region that loves chicken, the locally produced chicken has exceptional umami
Locally produced chicken
Every chicken lover recognizes its tastiness. It has a firm texture, satisfying texture and a rich flavor with umami which increases the more you chew.

A variety of ingredients, not just chicken, are grilled on skewers
Yakitori
Ingredients include the popular pork belly, vegetables, and seafood. Have a look in the display and order your favorite.

Skewered “chicken skin” prepared in a uniquely Hakata-way

The outside is crispy, but the inside is succulent. It is a dish loved by Fukuoka locals.

Start with the soup
The golden soup infused with the umami of chicken is superb.
It has got to be fresh seafood!

Have your fill of the Genkai Sea.

Freshly caught squid is prepared alive!
A spear squid "Ipponyari"
The squid caught one by one carefully has a translucent flesh and a superb almost firm, crunchy texture.

So fresh!
Karatomari Ebisu oysters are the recommended dish of the winter.
Plump scallops with a firm texture are appetizing. The brand-name oysters are a favorite of customers at the Michelin Guide-listed restaurant.

Enjoy the tentacles in a tempura

Good for sashimi, fries, and hot pot dishes
Fugu (pufferfish)
Also called "Fuku," locally, which means "happiness" in Japanese. Fugu dishes in summer are recommended, not to mention winter dishes.

A flavorful work of art, Hakata’s fuku (pufferfish) sashimi

The old-school way is to grill the oysters over charcoal!

Cook fresh seafood, including oysters, on a barbeque

Rear view of the restaurant

An assortment of sashimi
Savor the quality of fresh seafood caught in the fertile fishing grounds of Genkai Sea and the Sea of Japan!

Restaurants complete serving a variety of sushi creations, utilizing fresh ingredients
Sushi
There are many rare neta (foodstuff for sushi) unique to the region. Let’s enjoy fresh and reasonably priced sushi!

The regional dish of Fukuoka is enjoyed raw

A foodies’ spot popular among the locals

The restaurant in Nagahama Fish Market where auctions are held is popular for its menu of freshly caught ingredients

Central Wholesale Fish Market Building

Keta, Nishi-ku, Fukuoka City

Short walk from Shari Bus “U-mizuri Keen-mae”

TEL 092-711-6412
Address 1-11-3, Nagahama, Chuo-ku, Fukuoka City
Operating periods Early Nov.-Late Mar.
Closed
Nearest station
Nearest bus stop
Excellent dishes that will make you smile after just a bite.

The local-style of eating udon is to top it with plenty of chopped scallions.

Udon

The tender noodles and flavorful soup of bonito and kombu meld in harmony. Try the unique “Maruten” or “burdock tempura” as a topping.

The taste of Fukuoka specialty brand beef is attracting attention

Hakata Wagyu

The Hakata Wagyu raised with quality feed has a reputation for its tender and succulent flesh.

Satisfying to both sweet-toothed and those with a penchant for dry sake.

Mellow and mild flavored, sake is also popular among women.

Japanese Sake

There is an array of unique sake made with quality rice and water. Enjoy them with local dishes.

Stamina-building dish is popular in Fukuoka for its appetizing aroma

Eel (unagi)

The old-time favorite is highly nutritious. The unadon (bowl) and unaju (box) topped with fragrantly grilled eel are so delicious and addictive.

An old favorite Hakata gift can be enjoyed in a variety of ways

Karashi Mentai (spicy marinated pollack roe)

It can be eaten in various ways and also comes in a variety of flavors. Compare the different characteristics of secret recipes by the many producers and find your favorite one!

Large and juicy, a world-class Queen of strawberries

Hakata Amaou

True to its name, Amaou is a fancy strawberry which is “red (Aka), round (Maru), large (Ori), and delicious (Umai).” Desserts made with the fruit are also popular.

Take an excursion

A stroll through Dazaifu

Dazaifu Tennō-ji Shrine dedicated to the god of learning Sugawara no Michizane is busy with many visitors. Legend has it that Umega Mochi came about when Lord Michizane sweated his favorite pastry dish with a plum tree branch. It is served at “Kasa-no-ya” along the approach to the shrine.
Traditional Crafts

Traditional crafts were created by history and nurtured by the people.

Captivating beauty and artistry, exquisite decorative dolls
The dolls with many different facial expressions and colors are unique to Hakata Ningyo. They come in a wide range from traditional to individual pieces.

“Yamanobose”
The whimsical pieces are inspired by Hakata Gion Yamakasa.

Handmade gems of craftsmanship through which the skills of the craftsman shine through
The scissors based on Tobasami (two blades crossed and hinged at the intersection) are modified using a sword making technique. They have a distinctive “_fds” hallmark.

Everyday wares are made by utilizing the beauty of the wood.
The exquisite pieces are made of thin sheets of cedar or cypress bound by layers of cherry. They come in a variety of forms including everyday wares such as lunch boxes, as well as articles for Shinto rituals.

Traditional Crafts

Hakata-ori Textiles
Traditional handicrafts designated by the nation

The textile masterpieces can be used as obi sashes, accessories and interior decorations.
With more than 770 years of history, textiles continue to captivate us. These were used as gifts to the government during the Edo Period. At the time these were considered to be one of the most prominent for the obi of kimono, and in the present, they can be enjoyed as neckties and business card holders among other things.

Imajuku Ningyo
Local folk art designated by the prefecture

The earthenware doll conveys the warmth of life
The folk art was used as the base for Hakata Ningyo. Typical examples are “Sarumen” (monkey face) and “Sakana Saizo” as talismans against fire and theft.

Cloths are layered over cotton wadding to form human figures in relief
“Okage” is made using cloths and cotton wadding to create a relief effect. It is charming for its beautiful motifs and decorations.

Hakata Hariko
Local folk art designated by the prefecture

The toys have been loved by the common people
They are characterized by their vibrant colors and adorableness. They are essential folk art for celebrations and festivals in Hakata.

Dazaifu

Dazaifu, land connected to the new imperial era of Reiwa that is full of the abundant expressions of the four seasons

Go on a mini excursion from Fukuoka to the ancient city of Dazaifu. Offer a prayer to Tenjin-sama and enjoy the bustling shrine approach and Kyushu National Museum.

The general headquarters of Tenmangu shrines across Japan

Dazaifu Tenmangu Shrine

Cherry blossoms in the spring and crimson foliage in the fall are spectacular

Homangu Kamado Shrine

The shrine was built to protect the Dazaifu government office against evil spirits. It is located at the base of Mt. Homan and has a history that goes back over 1,350 years. It is popular among women for bringing romance.

Sakamoto Hachimangu Shrine

The shrine with affinity to Reiwa, the new imperial era

Showcases the history of exchange with Asia

Kyushu National Museum

The national museum is the fourth most significant after Tokyo, Nara, and Kyoto. It enjoys an excellent reputation for unique exhibitions, including the interactive exhibit of Asian culture.

Dazaifu Government Office Ruins

The site of a government office which served as the base of diplomacy and military affairs in Kyushu from the late 7th century to Nara/Heian period. It is mentioned in the chronicles of Man'yōshū as “no Nikaido” [The Nikaido of the strayway land].

Let’s go on mini trips to six towns near Fukuoka City. Each one can all be visited in a day, and is full of charms.

Let’s visit the god of learning, Tenjin-sama

Dazaifu City

Explore Dazaifu Tenmangu Shrine dedicated to Lord Michizane Sugawara and the shrine town. Seasonal flowers welcome visitors.

For visitors who wish to experience the fertile land and the river’s bounty

Kurume City

It’s not just about Yakitori and Ramen! Enjoy the holy ground of detectable foods, Kurume.

Take a leisurely boat trip down the canal in a castle town of flowers and roadside canals

Yanagawa City

Yanagawa was home to Hakusui Kitahara. Savor its history, ambience, and food. It offers a tranquil and healing break.

Power-spot Tour in Fukutsu

Get reinvigorated at the beaches that are open all year round or at the Path of Lights, which was featured on television shows.

Another world just 30 minutes away from Tenjin and Hakata

Shingu-machi

The trekking course Kushu Oille is arranged. Take a walk on the course full of change.

There’s history, nature and gourmet... everyone will be satisfied!!

Karatsu City

Walk along the beautiful shore and partake in the festivals and culture. Fully enjoy the Karatsu ceramics and delicious food.
Kurume

Fruit picking through the four seasons
Fully enjoy the local cuisine and delicious alcohol of one of the largest alcohol producing regions in Japan
17 minutes by Shinkansen from Hakata. The gourmet town, which is the birthplace of tonkotsu ramen, is right around the corner.

Grikugo no Kuni Ichinomiya
Kora Taisha Shrine
The goddess shrine constructed in Kyushu. Every year in August, the Votive Lantern Festival is held and the lanterns are lit.

More than anything
Local gourmet food
Kurume is the place where tonkotsu ramen was born roughly 80 years ago. There are plenty of ingredients other than chicken, and there are special names for their chicken dishes as well. Kurume is well-known for its local dishes.

Sacred grounds of Kyushu
Naritasan Kurume Temple
The large Kanon statue is 62m tall, and you can climb to the shoulders using the spiral staircase. The stupa is shaped in the same way as the Bodh Gaya in India, and is the second one of its kind.

Museum and flower garden
Ishibashi Cultural Center
Facility full of culture from Kurume. Hosts flower related events throughout the four seasons.

Kurume City spots for viewing autumn leaves
The autumn leaves at Eisho-ji temple, Mt. Kora and other places are fantastic. The row of wax trees at Yanagisaka are also a sight to see!

Spring
Azaleas and cherry blossoms
In April, the azaleas throughout the forestAzuma Park and other places begin to bloom, and the beautiful cherry blossoms from April to May begin to reflect in the blossoms in the water. There are, of course, plenty of other fantastic places for viewing cherry blossoms as well.

Summer
Late July - Mid-Oct.
Peach picking
Come pick some juicy peaches at the peach farm that has over 50 years of history.

Fall
Persimmon picking
Of course they can be eaten raw, but they taste great as tempura as well.

Winter
Sake events
In the middle of February, there is the Kojima Sake Festival & Brewery Hopping event. In March, there is the Tanoshima Spring Festival. Plenty of events all year round!

Chikugo River Fireworks Festival
The largest scale fireworks show in west Japan, with 18,000 individual fireworks launched! This is a must see!

Assistance Guide
Another world about 30 minutes away from Tenjin and Hakata View the wonderful scenery and take a walk through the town full of history

This is the popular “Kyushu Olle Fukuoka Shingu Course”, that is packed with the beauty of Japan, like the beautiful white sand and pine-filled beaches and fields, as well as historic townscapes, is featured here.

**Shingu Olle Fukuoka Shingu Course**

This calming course takes you through fields of orange trees, areas with plenty of remaining history and then to an observation area of the Genkai-nada sea towards the Shingu Coast.

**Mt. Sanbornmatsu**

A hidden spot with a fantastic view of Mt. Tachibana and large cherry blossom trees.

**Tachibana Sunday Market**

A market with a helpful and diverse selection.

**Shingu Shore**

Embrace the blue sea, smell of the ocean and striking shoreline with your five senses.

**Karatsu**

From history buffs, nature lovers, foodies and people craving experiences... this urban resort can satisfy all kinds of people.

The magnificence of Karatsu Kunchi, the experience of Karatsu ceramics, the anecdotes of Nagoya Castle, the amazing view of the Genkai-nada Sea and the delicious food of the local area... a new charm can be found each time you visit.

**Karatsu Kunchi and 14 festival floats**

Every year on the 3rd and 4th of November there is the Great Autumn Parade of Karatsu Shrine. The 14 festival floats make their way throughout the city with the powerful cheer and dance accompanying the music, creating a truly magnificent sight. The luxurious and magnificent festival floats are made with traditional craft and are renowned as something the largest float at the time of the world. In December, these were added to the list of intangible cultural assets.

**Distance: 11.9 km**
**Time: 4.5 to 5 hours**
**Difficulty: beginner to intermediate**

**Old townscapes of the Tachibana-machi area**

Veggies, fruits, specialty and processed goods of Shingu-machi are on sale. (Only on Sundays)

**Start**

The town-shaped mill is a unique feature of the area and the charm of the castle town can be found everywhere.

*Guide is given in Japanese.*
Fukuoka Airport

It only takes about 10 minutes from the airport to the city center (Hakata/Tenjin)!

The air gateway, Fukuoka Airport, is not only convenient as a hub of transport, but also as a place where you can enjoy shopping and dining.

[Traveling to the city center]

Approx. 5 mins.
by subway

Approx. 5 mins.
by subway

Fukuoka Airport
(International Terminal)

Building

Fukuoka Urban Expressway

If you are planning on traveling around Fukuoka by car to do your sightseeing, it is convenient to use the Urban Expressway to travel quickly!!

Fukuoka Airport is divided into the Domestic Terminal Building and International Terminal Building. Use the complimentary bus service to travel between them.

A direct bus service operates from Tenjin/Hakata to the International Terminal Building. Fukuoka Airport is one of the few airports in Japan located in a city. It has direct access to Fukuoka City's subway, and it takes 5 minutes to reach Hakata Station. It takes only about 10 minutes to Tenjin in the center of Fukuoka. Complimentary bus service operates from domestic and international terminals.

Subway

The vortex for lovers where 100 love stories converge!

The view of Momoemashima and Shinjuku Islands, only the bayshore tower can offer this spectacular view. You can also see the most bustling areas of Hakata Station and the promenade of Tenjin. Enjoy the scenery unique to the seasons, including the cherry blossoms in spring and autumn foliage.

The area was named Momoemashima for having 100 street where people travel. The popular dating spot is the first place in Hakata City designated as a “sacred place for lovers.”

There are many ways to enjoy the site, including the “heart-shaped arch” which is a trendy snapshot spot, and other enjoyable things to do to deepen your affection.
